

The 37th Chinese Control Conference(CCC2018)
Final Announcement
July 25-27, 2018, Wuhan, China

The 37th Chinese Control Conference (CCC2018) will be held on July 25-27, 2018 in Wuhan, China. The Chinese Control Conference, initiated by the Technical Committee on Control Theory (TCCT) of Chinese Association of Automation (CAA), is an international academic conference on control theory and its applications, with an aim to provide a forum for the international community of systems and control to discuss the latest findings and advances in control theories and technologies. The CCC2018 features plenary talks, panel discussions, invited sessions, pre-conference workshops, oral sessions and poster sessions etc. for academic exchanges. Chinese and English work as the official languages of the conference. The conference proceedings have been included in IEEE Xplore and indexed by EI Compendex since 2006.
